All equipment has a 1-year warranty for manufacture defects. If it is determined that the unit is covered under the warranty part, labor and shipping will be covered by Clear Mind Center.

If the unit is out of warranty or it has been determined that the unit was damaged by accident or abuse, we will notify you prior to repairs for authorization and an estimated cost prior to repairs. **Standard repair cost is \$150.00 per unit. Please provide payment information below. If payment information is not included the unit will be returned without being repaired.**
